Year 1 Learning Showcase: Protected Characteristic — Age

■ Website Safeguarding & Privacy Notice

To protect pupil privacy in accordance with school policy, no children's faces or photos are published in this website document. This showcase captures Year 1 pupils' key ideas, dialogue, and reflections in text format.

Year 1 Curriculum Overview: Exploring Age & Fairness

As part of our commitment to equality and diversity at Park View Primary School, **Year 1 pupils** engaged in dedicated learning activities around **'Age' as a protected characteristic**. The children explored what fairness means in everyday school life and reflected on how people of all ages should be treated with mutual respect, dignity, and kindness.

Key Insights & Reflections from Year 1 Pupils

• **Fairness Across All Key Stages:** Year 1 pupils highlighted that equal respect applies to everyone across the whole school. It does not matter whether a child is in Nursery or Year 6 — every pupil deserves fair play, kindness, and equal care.

• **Treating Adults & Staff Fairly:** The children challenged common assumptions by recognizing that fairness is not just for pupils. Year 1 concluded that teachers, support staff, parents, and older family members deserve equal fairness and dignity too.

• **Age as a Protected Characteristic:** Pupils learned that 'Age' is protected so that no one is treated unfairly, left out, or judged simply because of how young or old they are.

Year 1 Learning & Reflection Summary

Focus Area	Year 1 Pupil Learning & Reflection
Nursery to Year 6 Equity	Fairness applies to every student, from the youngest in Nursery to the oldest in Year 6.
Adult & Staff Dignity	Adults, teachers, and elders must be treated with the same high level of fairness as children.
Protected Characteristic	Age is recognized as a protected status safeguarding everyone's right to an inclusive environment.
Everyday School Ethos	Promoting mutual respect, fair play, and inclusion across all age groups at Park View Primary.
