Wider learning at home

- Talk to family and friends about their pets. What do they eat, drink and what exercise do they need?
- Look for bugs around the garden or park. Where do certain bugs live? Do they like dry or damp conditions?
- Look at maps and globes. Can you find our island on Google Earth? How big/small are we?
- Can you find out about an animal that interests you?
- Can you find any other books by Patricia Cleveland-Peck or Fiona Robertson?
- Write about someone who is special to you. What makes them special?
