

This is my new school,
Park View Primary School.

I will start going here in September.
I will be in Pumpkins Class

Hello! I'm
your teacher,
Mrs.
Bellemere

Hello! I'm
your
learning
support
assistant,
Mrs Webb

This is a picture of me in my new
school uniform.

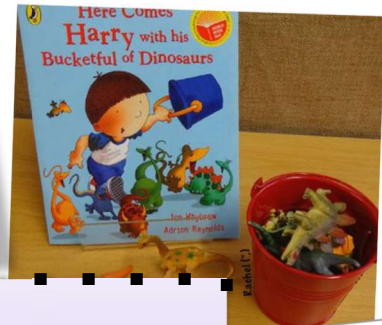

(You could print a photo or draw a picture of yourself)

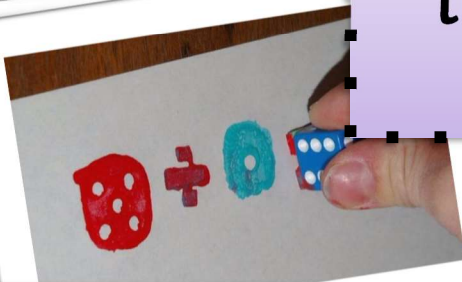

I will practise getting dressed
and putting on my coat and
shoes ready for when I start
school.

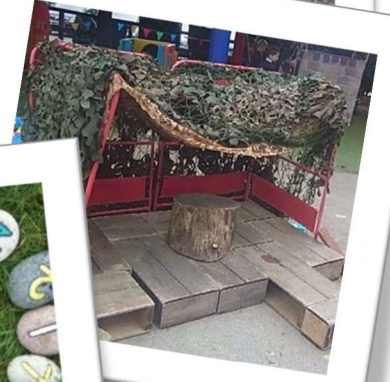

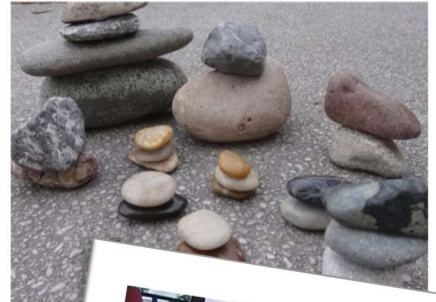

I will meet my teacher and learning support assistant before I start school. I might think of some questions with my grown up to ask them when we visit.

I will also look around my new classroom and other learning areas when I visit.

I will do my learning inside.

I will do my learning outside.

When I start school, I will
say goodbye to my grown-up
and I will see them again
after school to tell them
about my day!

There are lots of grown-ups
at school who will help me
with anything I need.

If I feel worried, scared or sad.

If I have lost something.

If I need help to find a friend.

If I need help getting dressed.

If I feel tired or poorly.

If I don't understand something.

**Everyone is there to help
me so that I have a
lovely time learning at
school!**

When my water bottle
is empty, I can go and
fill it up whenever I
need to.

If I fall over or hurt myself,
a grown up will help me to
feel better.

I can use the toilet
whenever I need to.

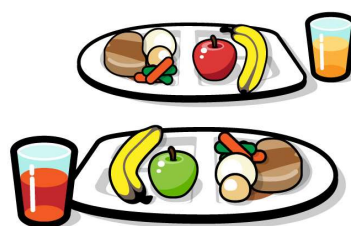

There is a toilet nearby
wherever I am working
or playing.

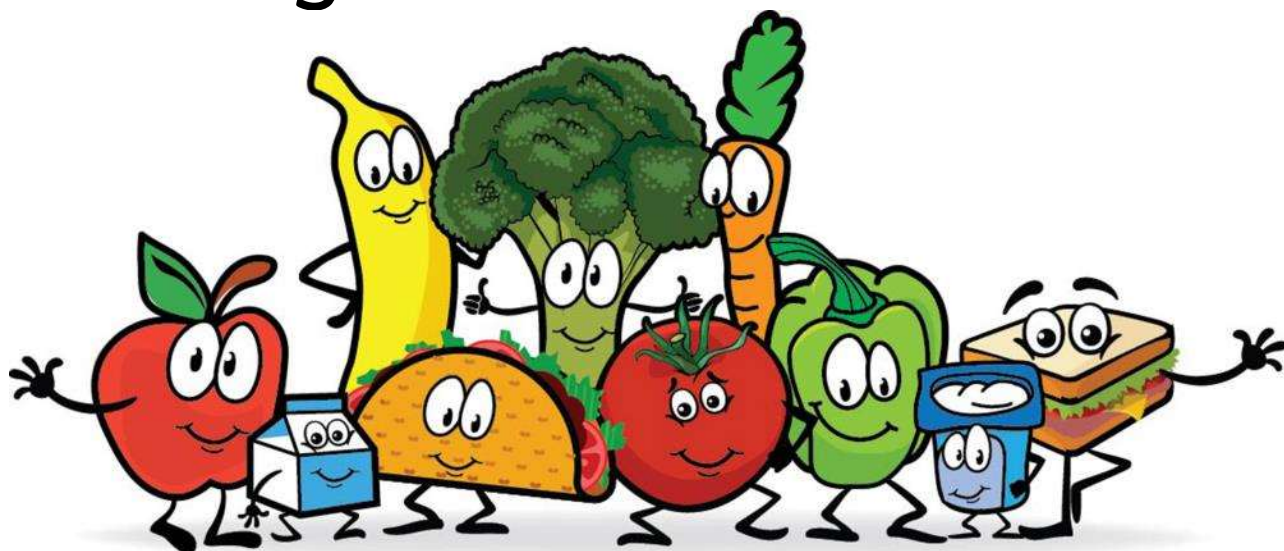

This is how I will
wash my hands at
school.

This is the hall where I eat my lunch and do PE.

I can bring a packed lunch
to eat at school or I will
try a school lunch.

There will be a grown-up
to help me cut up my food
or undo lids and open
packets if I find them
tricky.

I will have so much
fun this year. I will
make lots of friends
and learn lots of
new, exciting things!
