

Starting my new class

2025-2026

My new teacher...

Mrs Ferrin

My new LSA...

Miss Barkham

After the summer holidays, usually a new school year will start. Most children will have a new teacher when they go into a new year group. I am currently in Year 4 but when I am in my new class I will be in Year 5.

Key information

My next class will be called Hazel Class.

My teacher will be Mrs Ferrin.

My LSA will be Miss Barkham

Here are things that will stay the same:

- Mrs Owens will be our Head Teacher.
- I will know **all** of the children in my class.
- The structure of my day will be the same. I will have Maths and English in the morning and Foundation in the afternoon.
- School stationery will be the same. I will be given everything I need to learn.
- I will still bring in the same things to school, like my PE kit and water bottle.
- I will need to read regularly.
- I will need to learn my spellings each week.
- I will have just as much fun as I did in Year 4!

Here are things that will be different:

- My teacher's name will be Mrs Ferrin.
- I will come into school through a different entrance. Someone will be there to meet me on my first day and every morning after that.
- My break time may be a bit later than I am used to.
- My lunch time may be a bit later than I am used to.

Where I can put my things:

- In the lockers outside our classroom - I will be given my new locker on the first day after the summer holiday.

The things that we will probably do on the first day back:

During the first couple of days back we will be doing lots of exciting activities and games that will help us get to know each other and help you know what to do in Year 5. You will also:

- Explore the classroom.
- Find out where to put your things.
- Talk about all of the rewards you can earn.
- Play games.
- Make our class charter together and talk about our learning behaviours.

Lots of children feel worried and maybe excited when they are starting something new. It is OK to ask questions. Your teacher and Learning Support Assistant will help you. A good thing to remember is that all of the children in your class will be going up with you to your new class.

It is very likely that you will soon be settled into your new class and enjoying the things that you do.

Soon, your new classroom will seem like an old one again.

You are on your way to being ready for the next school year. Well done, you!
