how to be 'communicators'

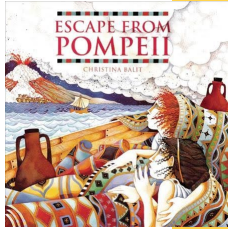

What did the Romans do for me?

Summer Term 1 2026

Year 3

Park View
Primary
School

English:

Texts drivers: Escape from Pompeii and I was there ...

Inspired by these books, we will write eye witness accounts and a diary as a character describing life in Roman times and experiencing Vesuvius erupting.

Maths:

Time, Multiplication and Division with Fractions, Measurement –Volume Capacity and Scales

Science: Plants

How do plants get their food

We will be investigating different plants and identifying how they get their food. We will be doing several experiments to compare different plants and locations

History

We will be looking at life in Roman Britain.

We are going to consider why the Roman Empire invaded Britain, the changes they made and the legacy they left.

Art:

We will making photo mosaics of Roman settlements

Looking at the work of the artist

David Hockney

RE: Places of Worship

Looking at sacred spaces—places of worship for Christians and Hindus.

PSHE:

Living in the Wider World—Rules and Laws

PE: This term we will be developing athletic skills

Wider learning at home

- Make a list of objects that you have found in your house that would have been used in Roman times
- Make up your own Roman name and say why you have chosen it
- Make a multiplication board game for 3x, 4x and 8x table
- Visit Silchester and re-search what it was like in Roman times.
- What new laws would you make and why?
- Invent a new toy for a Roman child. You may only use materials that would have been available in Roman times .
