Classification key (animals)

Classification key (plants)

How do we celebrate difference?

Spring Term 1 2026

Year 4

Park View
Primary
School

English:

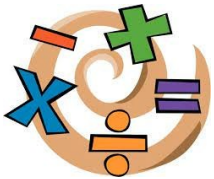

Text Drivers We Travel So Far and Race to the Frozen North.

Non-chronological report based on a migration animal. This will be written in the style of We Travel So Far.

A descriptive letter will be written based on our reading of Race to the Frozen North.

Maths:

We will be learn about fractions.
Simplifying and finding equivalents.

Science— Classification of animals

We will learning about different types of animals, how to classify them and how animals are suited tot heir habitats.

Geography — Exploring and comparing the world:

We will be researching different examples of biomes around the world. There will then be a specific focus on Kenya and Canada in which we will look at the similarities and differences between their ecosystems.

Art — Sculpture:

We will be creating wire sculptures the character from our text driver that are a replica of the Little Prince, inspired by the work of Anthony Gormley.

PSHE — Relationships:

We will learn about how to manage hurtful behaviour and bullying.

RE - Buddhism

We will look at the key teaching and beliefs from the Buddhist traditions.

PE: This term we will be developing our Hockey skills.

Wider learning at home

We encourage the children to read 3 times a week at home, as well as practising their spellings and times tables.

Look at the Eden project site and try some of their learning projects

<https://www.edenproject.com/learn/eden-at-home>

Read the article on National geographic and make a poster about the Arctic

<https://www.natgeokids.com/uk/discover/geography/general-geography/ten-facts-about-the-arctic/>

Read the articles about Canada and Kenya. Write a letter to persuade Mrs Owens that we should have a school trip to one of these countries.
