

Park View Primary School

Ofsted
Good School

2022

Nursery

DUE TO AN EXCITING EYFS EXPANSION OF OUR BUILDING, WE HAVE NURSERY PLACES AVAILABLE (AGE 2 TO 4) FROM SEPTEMBER 2023!

This is a highly inclusive school where staff work hard to meet pupils' individual needs *

Some (of the many) great reasons to choose our nursery:

- ✓ Qualified teacher-led learning
- ✓ A passionate, motivated and child-centred staff team
- ✓ Purpose built facilities with a large, secure outdoor space for rich, meaningful play and learning experiences
- ✓ A nurturing, safe and vibrant learning environment where children are encouraged to be curious, confident and creative
- ✓ Teaching of early language, phonics, reading and number feeds progressively into learning in Year R
- ✓ Term-time provider with 15 and 30 hour funded spaces for 2 to 4 years
- ✓ Seamless transition into our Reception classes
- ✓ Parents, carers and children already feel part of the school community ahead of Year R

...pupils receive a rounded and high-quality education *

...pupils get off to a quick start with their learning [in EYFS] and develop strong routines *

Leaders have put in place a curriculum where all pupils can succeed. This includes pupils with special educational needs and/or disabilities (SEND) *
